

Pianos

S T E I N W A Y & S O N S

Rehearsal and performance pianos in the following spaces have been graciously donated by Steinway & Sons.

Washington Hilton

Colombia A & Gunston:

Grand pianos have been arranged for these rooms. As conference rooms are seldom an optimal acoustic environment for live concert music, a wooden dance floor will be placed under the piano to mitigate the effects of carpeting. The piano must remain on the dance floor and any movement of the instrument must be coordinated through the CMS staff.

Practice Room A & B:

Upright pianos will be found in these practice rooms. Please refer to the information regarding **practice rooms** for further information.

Other Spaces:

No keyboard instruments will be provided by CMS in any other spaces at the hotel.
